

TBILISI STATE MEDICAL UNIVERSITY

The university has 5 years of experience in educating foreign students. Faculty of medicine has one-stop educational program in specialty of medicine for foreign students. We don't have any other specialties in English language like Dentistry or Pharmacy, but we are planning to have Dentistry from 2017-2018 Autumn semester. University is planning to enroll new students from 2017-2018 teaching year, but are ready to enlist students who want to transfer in our University. Precondition (Biology, Chemistry and English language courses studied at school). It will be better to contact us as quickly as it is possible as Ministry of Education needs approximately 3 weeks to discuss their documents. We do have language instruction is English.

Tbilisi State Medical University (English Medium)
