

## Kazan federal university

Kazan University, one of the oldest universities in Russia, was founded on November 17, 1804, when Emperor Alexander I signed the Affirmative Letter and the Charter about the creation of the Kazan Imperial University. As of November 1, 2015, the University consists of 16 Institutes, 3 Higher Schools, Faculty of Law, and 2 regional branches. More than 40,000 students enrolled in 479 degree programs at undergraduate and postgraduate level (including 85 doctoral and 8 double-degree programs with partner universities). Research priority areas are concentrated on biomedicine and pharmaceuticals, oil extraction, oil refining and petrochemistry, informational communication and aerospace technologies, advanced materials, and social sciences along with humanities.
