

BUKOVINIAN STATE MEDICAL UNIVERSITY

Bukovinian State Medical University is announced the Best Medical University in Ukraine, according to top list of Medical and other Universities by WEBOMETRICS-2013. This list contains 12 000 universities all over the World. It has only 20 universities from Ukraine at this list. At the University, the training is provided at the Medical Faculty within 6 years and 5 years at the Stomatological Faculty. In the process of training a constant control of the current progress is conducted by means of estimating of students' knowledge on each class. At the end of each term the final control is provided by means of passing tests and examinations in subjects studied during this term.

Bukovinian State Medical University (English Medium)
