

OO BOGOMOLETS KIEV NATIONAL MEDICAL UNIVERSITY

Bogomolets national medical university established in 1841 is one of the institutes with excellence. Students from around 65 countries come here to study medicine. It has the highest level of accreditations by the Ministry of Health and Education i.e. level IV and has been training students for over 150 years. The admission procedure in this institution is very simple and students don't have to crack any kind of entrance examinations. While studying in Top Medical Universities in Ukraine, students can take advantage of Bilateral Student Exchange Program with different foreign Universities in Germany, Finland, Sweden, Poland etc. International students can join part time jobs during their studies and three month's summer jobs during vacation in countries like UK, USA, Sweden and other EU countries.
